

## **STEP FEED CLUTCH LUBRICATION**

**Recommended greases are: Texaco Regal AFB2, Mobilux No. 2, Shell Alvania No. 2,  
Or Keystone #81 Light.**

**Do not use lubricants of the EP type (Extreme Pressure Additives) or those  
containing slippery additives such as Molybdenum Disulfide or Graphite.**

**Add grease only every 4-6 weeks, do not over lubricate!**
